Debt

Myth: Debt is a tool and should be used to help create prosperity.

Truth: Debt is not a tool; it is a method to make banks wealthy, not you.

Debt is dumb. Most normal people are just plain broke because they are in debt up to their eyeballs with no hope of help. If you're in debt then you're a slave, in the sense that you do not have the freedom to use your money to help change your family tree.

It takes a lot of will, discipline, courage and help to slay the debt monster. But it can be done. Imagine how much you could put toward retirement if you just didn't have a stinking car payment? This is how the wealthy build their wealth. Source: daveramsey.com
